

JOHNS CREEK SOLID WASTE HAULER'S WELCOME PACKET

Solid Waste Hauler:

Effective, November 8, 2010, pursuant to Chapter 42, Article II, Section 42-23 of the City of Johns Creek Code of Ordinances, solid waste haulers must register and enter into a contract in order to operate in the City. Solid Waste Haulers interested in doing business in Johns Creek must complete the following:

- Solid Waste Hauler Application
- Hauler's Information Sheet
- Johns Creek Solid Waste Collection Service Agreement
- Credit Card Authorization (if paying registration fee by credit card)
- Remit One Thousand Five Hundred dollar (\$1,500) registration fee

Haulers must sign the completed Application Form, Hauler's Information Sheet, and Johns Creek Solid Waste Collection Service Agreement (two originals of all documents are required), and return all completed original documents, along with \$1,500 payment to:

City of Johns Creek
Public Works Department
12000 Findley Rd., Ste. 400
Johns Creek, GA 30097

Upon receipt, completed and signed agreement(s) will be forwarded to the City Manager for execution on behalf of the City. After an agreement is executed by the City, a Solid Waste Hauler's Registration Number will be issued and forwarded to the hauler along with one original of the agreement, and a supply of registration decals. The decals must be attached to each vehicle providing solid waste services within the City.

The executed agreement(s), application(s) and decal(s) will certify each hauler as a registered hauler with the City, permitting the hauler to operate in the City. More specifically, each executed agreement will authorize a hauler to collect and/or transport solid waste, recycling, yard trimmings, and bulky trash for residential and commercial customers.

Included in the agreement(s) are the dates by which haulers must file reports with the City, providing details about the hauler's activities including, but not necessarily limited to, the weight of garbage and recycling collected. All reports are required from each registrant.

The reporting dates are as follows:

- **January 30, 2010**
- **April 30, 2010**
- **July 30, 2010**
- **October 30, 2010**

Failure to submit these reports quarterly will constitute a breach of the hauler's agreement and will subject the hauling company to potential enforcement actions up to and including being cited to the City's Municipal Court for noncompliance with the agreement and relevant City Ordinances, as well as the revocation of hauler's privilege to do business within the City of Johns Creek. Reporting forms will be sent to haulers following execution of agreements.

All completed and signed documents shall be returned to the City of Johns Creek, Public Works Department – 12000 Findley Rd., Ste. 400, Johns Creek, GA 30097.

If you have any questions or comments concerning this or other solid waste issues, please feel free to contact the Solid Waste Manager, James Swope, at (678) 512-3249.
